

Current is a publication that will be printed quarterly. This is a local magazine produced for the Northeast US Electrical Industry. Produced by United Sales Agency, Current will publish several relevant articles concerning the Northeast US Electrical Market. In addition, there will be display ads from electrical manufacturers in our industry, a sales corner to help with tips in selling. Marketing will not be spared. More than ever our industry must learn to use all the tools necessary to maintain our current customer base and expand our businesses.
